Recycle Today for a Cleaner Tomorrow!

That is the motto of the Recycling Factory, a company who will help us raise money for 4-H through your recycling of used ink cartridges and cell phones. Pick up envelopes today to start recycling your used computer ink cartridges. It doesn’t cost you anything. It will keep your used ink cartridges and broken cell phones out of the land fill. It helps 4-H gain with a contribution based on each recycled ink cartridge and cell phone. Leaders plan a campaign to get envelopes distributed in the community for recycling.

Tell your friends, neighbors and places where you do business to recycle for 4-H. Free mailer envelopes available at the office. See their website for info. www.therecyclingfactory.com
