

# FLORIDA-FRIENDLY LANDSCAPING™

## TREES FOR BAKER COUNTY

The list of plants below is intended to be a starting point for making landscape decisions, and not an all-inclusive list of trees suitable for Florida-Friendly Landscapes. As long as a plant isn't invasive, and is planted in the right location (right plant, right place) it could be considered for use in a Florida-Friendly Landscape.

Fast Growing	Flowering	Attracts Wildlife	Drought Tolerant	Tolerates Wet Soils (Occasional)
