Upon request, for individuals with documented print related disabilities, this publication is available in
alternative format.  Contact the Baker County Extension Service for more information.  For individuals
with disabilities requiring special accommodations, please contact the Baker County Extension Service
at least 5 working days prior to the program in order for proper consideration to be given to the re-
quest, For TDD service, call the Florida Relay Service Center at 1-800-955-8771
These rules and regulations contained herein take precedence over any other rules concerning conduct of the show and participation therein. No youth under age 8 (as of 9/1/08) are eligible.

The judge’s decision shall be final and may not be protested.

All exhibitors that are under the age of 18 years old as of 09/01/08 are required to wear an ASTM/SEI certified equestrian safety helmet. Bicycle helmets are NOT approved. The ASTM/SEI certified equestrian safety helmet must be worn at all times while mounted with the chin strap securely fastened. (SEI = Safety Equipment Institute, ASTM = American Society of Testing and Measures.) Failure to comply may result in disqualification. This is a State 4-H Rule. Additionally all riders must wear closed boots appropriate to the discipline showing. This pertains to the entire show grounds from the time of arrival until departure.

Show management reserves the right to alter or modify any classes, procedures, obstacles, patterns or rules for safety concerns, show facility restrictions or other mitigating circumstances.

Show management reserves the right to refuse an exhibitor entry into any class or event if they deem that the entry is unsafe for the exhibitor and/or other exhibitors or animals. With the exhibitor’s safety in mind, any activity or situation deemed unsafe can and will be stopped by show management and may result in disqualification from that class.

Any exhibitor or parent acting with unsportsmanlike conduct while on show grounds may be suspended from future participation in Baker County 4-H Shows.

NO COACHING FROM THE RAIL. Assistance or coaching to contestants while competing in a class may warrant penalties or disqualification. Electronic communication devices will not be allowed by exhibitors while in the class.

An official of the show may check the appointments of any horse/rider combination throughout the duration of the show. It is the responsibility of the contestant to comply with all the rules and regulations.

In concern for humane treatment of the horse, the judge, at their discretion, has the authority to excuse any horse from a class, which is obviously lame. Obvious lameness includes but is not limited to: consistently observable at trot under all circumstances; marked nodding, hitching, or shortened stride, minimal weight bearing in motion and/or at rest and inability to move.

Striking the horse in front of cinch with anything other than the open hand is a disqualification. Striking the horse with anything, including hand in front of the throatlatch is a disqualification.

Reruns will not be given to any contestant if handicapped by failure of personal equipment or accident to horse or rider.

In timed events horse will be started and stopped inside of the arena. The gate to the arena will not be opened until the horse is stopped and under control. Horse must be under control of rider upon entrance and exit of arena and promptness in entering the arena is expected. No horse or rider will be assisted inside the arena. Failure to comply will result in disqualification.

No string, rubber bands or other material to tie feet or legs in stirrups is allowed.

Random bit checks may be conducted by the judge or show management.

Back Cinches, if used, must be adjusted properly (neither too loose or too snug) and secured to main cinch. WT Division open to riders who have never cantered in a show, based on horse and rider combination.

WARNING Under Florida Law, an equine activity sponsor or equine professional is not liable for any injury to, or the death of, a participant in equine activities resulting from the inherent risks of equine activities. F.S. 773.01
