Come and explore more about 4-H in Baker County! You can see what different clubs we have and sign up for the new 4-H year! A 4-H club usually focuses on one or more topics of members’ choice, such as gardening, small animals, photography, livestock, etc. 4-H members have the opportunity to build leadership by electing officers, conducting project-related activities, holding business meetings, and working together in the community.

Teens or Adults, interested in doing something with your spare time? 4-H programs look to volunteers to help our young people learn the skills they need to prepare for careers while also having fun! This is a great way to give back to your community and earn community service. If you are interested please contact us!
