Thank you for your interest in the Master Gardener program.

The Baker County Master Gardener classes are training classes for extension volunteers, held each year based on participation. In the past, classes met on Tuesdays and Thursdays from 9:00 am to 1:00 pm at the Baker County Extension Office during an 8-week period. The approximate cost for the class will be around $60.00. You will receive a CD of study/reference materials, a class notebook, and a reference book from the UF/IFAS bookstore.

You will need to return 75 volunteer hours to the Extension office (demonstration gardens, school gardens, help desk, and plant clinics) after the completion of training and after taking a final exam and pesticide test. In order to maintain an active status with the program you will need to volunteer 35 hours in subsequent years.

**Qualifications**

**Ideal applicants are:**

- Committed to volunteering and able to communicate horticulture knowledge with diverse people in Baker County.

- Available to spend time volunteering, and attending monthly meetings, field trips and training sessions.

- Love gardening and have a desire to learn and practice environmentally-friendly horticulture methods and share this information with others.

- Eager to learn horticulture by actively participating in an intensive 64 hour, 8-week training program and committed to lifelong learning continuing education activities.

Please provide the following information and you will be contacted by a program representative.
