

Beyond honeybees & butterflies...a make & take

# Pollinator Workshop

## Friday, May 19<sup>th</sup>

### 10am – Noon

### \$20

#### Topics:

*Florida's native bees and other pollinators*

*Pollinator plants for your garden*

*DIY native bee nest boxes*

#### Make & Take Native Bee House:

*Stuff a pre-built "bee house" (similar to one shown right) with a variety of materials to create a nesting habitat for native bees that doubles as garden art. All materials will be provided.*
